OFFICE OF THE CHIEF CONSERVATOR OF FORESTS,
IN MYSORE.

Bangalore, dated 2nd November *193*3.

FROM

B. V. RAMAIENGAR, ESQ., B.A.,
Chief Conservator of Forests

NOV. 1933

To

A.N.Raghavachar, Esq., M.A.,
Secretary to the Government
of H. H. the Maharaja of Mysore,
Financial Department, *Bangalore.*

Sir,

I have the honour to state that under Article 165(e) of Mysore Civil Account Code Volume I, Deputy Commissioners of Districts, Revenue Sub Divisional officers and District Medical and Sanitary Officers are empowered to make advances of one month's pay to officials up to a maximum of Rs.30/- to enable them to readily evacuate their houses in towns and villages declared or suspected to be plague-infected subject to conditions laid down in the above mentioned article. In respect of such advances to officials serving in Sub Division and Range Offices of this Department the applications in the first instance have to be submitted to the District Forest Officer by the Sub Division Officer or the Range Officer and he in turn has to forward the same to the Deputy Commissioner for sanction. As this process involves some delay, the officials cannot readily evacuate their houses whenever out-break of plague is apprehended. I would therefore request you to be good enough to obtain orders of Government empowering the District Forest Officers to make advances of the kind contemplated in the above article subject to conditions laid down therein and communicate the same to me.

I have the honour to be,
Sir,
Your most obedient servant,

B. V. Ramaiengar

Chief Conservator of Forests.

1 As the Ft. Department consists mostly of Executive Subordinates who will be away from their homes frequently on duty, the delay in the grant of advance to enable them to evacuate their homes will be a great hardship to them. The request of the C.C.F. seems therefore reasonable & may perhaps be sanctioned.

MW. 11.11.33

I don't think so - the cases are different

2 This seems to be a general question & when power is to be given ~~one~~ an Executive Dt officer, of one dept. — the others also will raise a similar q^n.

3 The whole q^n has therefore to be considered once for all & decided.
